

Bellevue Plastic Surgeons Financial Policy:

- For larger, more comprehensive treatment plans of \$500 or more, a \$500 deposit is required to secure your initial treatment appointment.
- A fee of \$50 is charged for patients who miss or cancel more than 1 time without 48-hour notice.
- Bellevue Plastic Surgeons charges \$30 for returned checks.
- In order to reserve a date for your surgery, we require a nonrefundable total amount of \$500. This reservation fee will be credited towards your surgery given that the surgery is scheduled within six months. The \$500 deposit for surgery is your agreement to surgery at the reserved date. Requests to change the initially reserved surgery date must be submitted at least 2 weeks prior to the surgery scheduled date and must be submitted via email/written notice. Failure to submit notice in the stipulated time will void the deposit.
- Payment for surgery is due at the preoperative examination or 2 weeks prior to the operation, whichever comes first, and is non-refundable. Your account will be charged for the remaining portion at that time. If fees are not rendered at that time, your surgery will be put on hold. If fees are not provided 5 business days before the operation the surgery will be cancelled and you will be subject to the cancellation rules.
- The fee for surgery (physician's fee) that is rendered at the preoperative appointment or two weeks prior to surgery is non refundable and non transferable to another segment of time.
- If the surgery is rescheduled after the payment has been made there will be a 20% rescheduling fee for the total cost of the surgery. The only exception to this is life threatening emergencies or medical illnesses prior to the operation. In these exceptional circumstances the 20% rescheduling fee will not apply. We reserve the discretion in implementing this difficult but necessary policy. Such cases will be backed by means of medical records.
- It is the patient's responsibility to complete all pre-surgical diagnostics prior to the pre-operative appointment. If not completed by this appointment, surgery may be postponed and subject to a 20% rescheduling fee, or cancelled without a refund.
- Plastic surgery is an art and occasionally revisions will be necessary. Failure to show up for your first 5 scheduled follow up appointments will void the revision policy. Revisions will be within one year of the operating date. As a courtesy to our patients no surgeon fees will be charged, however facility and anesthesia fees will apply for the procedure. Dr. Marosan reserves the right to determine a revision versus a separate procedure that is being requested.
