

THE FACE OF EYE REJUVENATION

JAMES R. GORDON, MD, FACS
Cosmetic Eyelid & Facial Surgeon

Award-winning Oculoplastic Surgeon and Board Certified Ophthalmologist Dr. James Gordon is known for "Total Eye Rejuvenation," which harmonizes eye health with aesthetic procedures and cosmetic surgery. Dr. Gordon has helped many patients revitalize their eyes with a combination of surgical and non-surgical approaches, such as Botox®, advanced facial fillers, and laser skin resurfacing.

"My job is to help patients achieve their desired appearance. I only perform a procedure if I truly believe I can accomplish the targeted results," says Dr. Gordon.

Dr. Gordon has earned many prestigious awards and distinctions, including Castle Connolly's "Top Doctors" and *Westchester Magazine's* "Top Docs." Dr. Gordon was featured on CBS and in *The New York Times* as one of New York's Best Cosmetic Doctors.
