NOTICE OF PRIVACY PRACTICES

Our Notice of Privacy Practices provides information about how we may use and disclose protected health information about you. You have the right to review our notice before signing this consent. As outlined in our notice, the terms of our notice may change. If our notice is changed or modified, you may obtain a revised copy by requesting at the front office.

You have the right to request that we restrict how protected health information about you is used or disclosed for treatment, payment, or health care operations. We are not required to agree to this restriction, but if we do, we are bound by our agreement.

By signing this form, you acknowledge that you have received our Notice of Privacy Practices and consent to our use and disclosure of protected health information about you for treatment, payment, and health care operations. You have the right to revoke this consent, in writing, except where we have already made disclosures in reliance on your prior consent. This consent is given freely with the understanding that:

1. Any and all records, whether written or oral or in electronic format, are confidential and cannot be disclosed without my prior written authorization, except as otherwise provided by law.
2. A photocopy or fax of this consent is as valid as though original.
3. I may revoke this consent at any time, except where information has already been released. This consent is valid until revoked by me in writing.

2017 PAYMENT POLICY – TERMS OF AGREEMENT

We are committed to providing you and your family with the best possible care. In order to achieve this, we want you to understand our financial policy. Below you will find the details of our 2016 policy. Please review the policy, as it may have changed since your last visit.

1. We are contracted providers for several managed care plans. As a courtesy to you, we will file claims for those plans we participate in and will require you to pay your co-pay/deductible/co-insurance **at the time of the visit.** Please be advised if you have not heard from your insurance company within 60 days, the balance will become the patients responsibility. **If you have a biopsy or excision, your tissue will be sent to an outside laboratory for analysis which is a separate entity from our office and you may be billed separately for their services.**

2. The majority of procedures done are the office are considered outpatient surgery and may have a different benefit than an office visit. For example, if the doctor performs a procedure, it is likely that the insurance company will pay their ratio portion (e.g., 80/20) and the patient owes the balance. **_____ INITIAL HERE**

3. Not all services are medically necessary. Some insurance companies arbitrarily select services they will not cover. **You are responsible for these services**. We must emphasize that as medical care providers, our relationship is with you and NOT your health insurance company.

4. **Payment for any cosmetic procedures is due at the time the service is rendered.** The doctor will inform you, to the best of her knowledge, what procedures are deemed "cosmetic" by most insurance companies, It is always a good idea to ask whether the procedure is likely deemed "cosmetic" before the procedure is performed so you better understand your financial responsibility. **Payment for cosmetic procedures is expected at the time of service. Any unpaid bills will be sent to a collections agency after three attempts to collect payment.**

5. We make every effort to help you with your referral from your primary care physician if one is required; however, it is your responsibility to confirm that we have a current valid referral. Physicians are only allowed to treat the conditions noted on the referral.

6. Full payments for services are due **at the time services are rendered** for all patients. If using insurance, we require payment at the time of service as according to your health insurance benefits. We accept cash, check, Visa, Mastercard, Discover, American Express and Care Credit (Please be advised there is a 7% surcharge for using your Care Credit account). We are able to supply a self-pay patient a detailed receipt which includes all pertinent information for you to send to your insurance company if needed.

7. Full payments on patient due balances are required before seeing the physician. Any unpaid bills will be sent to a collections agency after three attempts to collect payment. _____ INITIAL HERE

8. We are NOT providers for Medicaid and will only accept Medicaid patients as SELF PAY. **We will not file any claims to Medicaid.**

If you have any questions regarding our financial policy, please do not hesitate to contact us. By signing this Payment Policy page, I acknowledge that I have read it and understand my own personal financial responsibility.

Signature:_____ Date:_____

PAYMENT POLICY - DESCRIPTIVE

We accept an array of in-office payment options, including cash, check, credit card as well as credit card payments over the telephone for payments on your account.

Payment Options

Payment is expected at the time services are rendered for medical and cosmetic services and products. For your convenience, we accept many insurance plans and offer an array of other payment options, including cash and check, most major credit cards, and Care Credit.

Most treatments for skin diseases are covered by insurance to some degree. However, cosmetic procedures are usually not covered under medical healthcare plans. And, to make it more complex, a procedure that is categorized as medial dermatology and covered under one plan, may be considered cosmetic dermatology and not covered under another, even though it is actually the same service being provided. Please refer to your individual plan for such coverage details.

Insurance

Although our practice is contracted as a provider for many major health insurance carriers, it is the patient's responsibility to know what insurance company currently provides his or her coverage and the details of that coverage – including which treatments and procedures are covered within that plan. Employers often change plans annually, so we will ask to see your insurance card/information at each visit. This step helps to ensure that our records are accurate and your claim may be filed and paid with as little inconvenience to you as possible.

Please, have the following Subscriber or Insured's information available when you schedule your appointment AND when you check in for your appointment: Name, Date of Birth, ID# or Social Security #, Policy Information, Coverage effective dates, Individual policy or employer/group policy? If it's an Employer/Company Policy, Employer/Group Name, Employer/Group Number, Health Savings Accounts (HSA's).

When checking in for an appointment, please let us know if you have a Health Savings Account (HSA) in connection with your high deductible health plan. Depending upon whether your deductible has been met, we will handle the office visit charges in one of two ways:

If you have met your deductible, please bring evidence, such as a copy of your most recent Explanation of Benefits (EOB) statement, so that we may bill your insurance plan for the visit and services.

If you have not met your deductible, we will still bill your insurance carrier for your visit charges; however, we will collect all charges IN FULL at the time of your visit. Once we receive our Explanation of Benefits (EOB) statement from your insurance carrier, we will bill you for any remaining balance or refund you for any overpayment.

Insurance Accepted

We are not always contracted with every plan each carrier offers. During the appointment scheduling process we can confirm our participation with your specific coverage.

- Aetna
- Blue Cross Blue Shield
- Cigna/Great West (exception: We are OUT OF NETWORK for Cigna Local Plus)
- Humana
- Medicare
- United Healthcare

CANCELLATION POLICY

When you schedule an appointment with our office, we reserve that time specifically for you. **We appreciate at least 24-hour cancellation notice.**

ASSIGNMENT OF INSURANCE BENEFITS AND RELEASE OF INFORMATION
