

Consent For HydraFacial Treatments

_____ A portion of the HydraFacial Treatment contains topical exfoliants applied to the skin to soften the dead skin layer and exfoliate the skin. Stimulating cell turnover will help to restore the skin to a more youthful appearance. Many skin conditions can be improved when receiving a series of HydraFacials and especially when in combination with other chemical peel treatments.

_____ I have been given the PRE and POST treatment instructions sheet and will follow these instructions. I will inform the technician if I have not been able to follow these instructions.

_____ I understand that all skin reacts to treatments in some manner, and agree that I will notify the spa as soon as possible if I experience a reaction that does not resolve within several hours or becomes progressively worse after leaving. I agree to follow all care instructions given by Setty Plastics and Aesthetics and understand that I will achieve optimal healing by following all home care instructions.

_____ Existing conditions, such as herpes, acne, eczema, folliculitis, hidradenitis, psoriasis and dermatitis may flare up after treatment, this may be minimized by beginning prophylactic treatment a few days before each appointment. I will advise the skin professional before treatment if I have any skin conditions. I will also notify the technician if I develop any of these conditions. I understand and accept that Setty Plastics and Aesthetics will not be responsible if I fail to give this important information.

_____ I agree to use a moisturizer and Elta sunblock SPF 30 or higher specifically recommended by my esthetician and I acknowledge that I have been informed of the possible negative reaction that may occur otherwise.

_____ I understand that a physician will be available for evaluation and follow up issues. Determination for an appointment with a physician will be made in consultation with management and myself.

_____ I confirm I am not currently pregnant or nursing and agree I will inform the technician if I do become pregnant, or am nursing in the future. I understand I cannot receive treatments while pregnant or breastfeeding unless approved in writing by my doctor. There are no known side effects, however, these treatments cannot be tested on pregnant or nursing women.

_____ I have read and understand all the information presented to me before signing this consent. I understand the risks of side effects, despite proper treatment, exist in all cases, but can be greatly reduced by following the pre and post treatment instructions given to me. I understand the purpose of the procedures.

What to Expect:

Patients will likely experience very slight discomfort (if any) after a HydraFacial treatment. Skin will may be slightly red immediately following treatment, but will resolve within minutes. The HydraFacial provides patented technology to deeply exfoliate and clean the skin, and makes it possible to deliver serums deep into the skin to restore skin health.

Pre-Care Instructions:

- * Avoid the following for the three days before a HydraFacial treatment (only applies to the area being treated with a HydraFacial): Electrolysis, waxing, depilatory creams, laser hair removal, sun exposure, medical cosmetic facial treatments, laser therapy, cosmetic fillers.
- * Discontinue use of products containing retinol, alpha-hydroxy acid (AHA) or beta-hydroxy (BHA), or benzoyl peroxide for three days before your treatment.

Post-Care Instructions:

- * To prolong the results from a HydraFacial, use only recommended products by your Setty Plastics and Aesthetics esthetician.
- * Use sunscreen daily with both chemical and physical blockers such as Elta products provided at the spa.
- * Avoid washcloths or any harsh products.
- * Notify Setty Plastics and Aesthetics immediately should you experience any issues that do not resolve immediately.

Setty Plastics and Aesthetics prides itself on our ability to offer the highest quality services at the lowest possible cost. "No Shows" and "Cancellations" create a significant burden on our ability to maintain our low prices. Therefore, clients will be automatically charged a \$75 fee for appointments not cancelled at least 24 hrs in advance PLEASE PROVIDE US THE COURTESY OF A PHONE CALL 24 HOURS IN ADVANCE IF YOU ARE UNABLE TO MAKE YOUR SCHEDULED APPOINTMENT.
