

BRACES CARE KIT

Protect Your Smile

- **Rotadent ProCare® Professional Rotary Toothbrush:**

The Rotadent® ProCare Professional Rotary Toothbrush is an effective one-step solution for optimal oral hygiene at home. Rotadent ProCare is the only power toothbrush clinically proven to be as effective as brushing and flossing combined.

Rotadent ProCare offers:

the power of a disease-fighting instrument modeled after professional prophy handpiece
removal of 92% of plaque in the first minute of brushing
consistently superior results in in-vitro stain removal from both flat and interproximal surfaces

- **MI Paste Plus™ for Sensitivity & Enamel Protection:**

Enables faster fluoride dispersion than paste-form Rx fluoride.
Optimized fluoride delivery system that produces a temporary shift in pH,
resulting in an 86% improvement in fluoride uptake.
Ideal therapy for patients with orthodontic decalcification.
