

Austin-Weston Center for Cosmetic Surgery Insurance Policy

Insurance coverage may be an option for some patients. Some insurance companies will provide out-of-network benefits for certain procedures, however, many factors can influence your eligibility. Each insurance company has different criteria for coverage. We are an out-of-network provider, but we will be happy to assist you in utilizing your benefits to help you obtain the maximum reimbursement you are entitled to.

Please note that we do not participate in Medicare.

Below is a list of procedures that may be considered for coverage with some insurance companies.

- Breast Reduction
- Hernia Repair
- Scar Revision
- Septoplasty or Correction of Deviated Septum
- Excision of Turbinates
- Excision of Moles & Other Lesions
- Upper Lid Blepharoplasty
