#### ADVANCED LASER TREATMENTS

IPL ..... \$350  
*Complete Skin Rejuvenation For A Youthful, Healthy Look. Safely and comfortably fade the appearance of skin imperfections caused by the sun, and uneven skin tones caused by brown and red spots (such as rosacea, spider veins and age spots).*

Sublime ..... \$400  
*Comfortably reverse the signs of aging and achieve a more youthful appearance without downtime. Elos is the first and only technology that uses combined energies to effectively stimulate collagen production and improve your overall skin quality in areas that are most telling when it comes to age, such as the eyes, brow lines, cheeks and around the neck.*

Sublative ..... \$500  
*Smooth enables you to achieve a more youthful appearance. This technology has been shown to effectively treat mild to moderate wrinkles and textural irregularities. This is truly the next generation of safe and effective rejuvenation technology. Look as young as you feel!*

Frax *Philadelphia Only* ..... \$750  
*Non-ablative fractional treatment for skin resurfacing and treatment of acne scars, surgical scars, and striae with SoftCool™ for comfort during treatment.*

Light + Bright *Philadelphia Only* ..... \$850  
*When it comes to red spots, brown spots, and irregular skin texture, Light + Bright is one of the premier ways to restore your skin. This groundbreaking treatment works in conjunction with the Nordlys™ system to create non-ablative energy that eliminates the appearance of vascular and pigmented lesions, as well as undesirable skin texture. Typically, patients will undergo three sessions scheduled at one-month intervals, at which point they will be able to notice significant improvements to the clarity, glow, and smoothness of their skin. All in all, Light + Bright is a quick, easy, and effective way to achieve stunning results for your skin.*

Microneedling RF ..... pricing varies  
*A state of the art fractional radio frequency (RF) microneedling system for tissue coagulation and hemostasis designed to stimulate and remodel collagen and address the common signs of aging. It is ideally suited for use on clients who wish to revitalize and refresh the appearance of their skin on all skin types. By adjusting the micro-needles, this advanced treatment can deliver energy at various depths, so that treatments can be tailored to address each patient's individual concerns such as fine lines, wrinkles, acne scars, photoaging and striae at the depth required. The 64-pin handpiece covers the largest treatment area on the market for faster, more efficient treatments. Ideal for treatments on the face, neck, chest, and body, the 64-pin handpiece features semi-insulated needles for precise placement of energy.*

Laser Genesis *Radnor Only* ..... \$300  
*Helps reverse the signs of aging before they start by restoring your skin's healthy appearance and addressing visible imperfections such as sun damage, fine lines, redness and scarring. This gentle procedure requires no downtime. In fact, you can even do it on your lunchtime and be back at work immediately. For maximum results, you'll want to follow a complete treatment series.*

#### CHEMICAL PEELS

Signature Peel (45 min) ..... \$135  
*Restore lack luster skin back to life with our improved Body+Beauty Lab Signature Peel! This resurfacing peel contains a combination of ingredients to reduce the signs of aging. Peptides and lactic acid sweep away dead skin cells that dull the complexion and strengthen the skin. Collagen and elastin add much needed hydration to the skin. Great for all skin types and hyper pigmented, dry and dull skin.*

PCA Peel Hydroquinone FREE (30 min) ..... \$135  
*This peel is ideal for more sensitive skin types, ethnic skin and/or those allergic to hydroquinone. This peel will help to unclog pores, clear acne and rejuvenate the skin. It is also an excellent choice for maintaining even pigmentation and correcting pigment discolorations for those with hydroquinone sensitivities.*

Sensi Peel (30 min) ..... \$135  
*The Body+Beauty Lab Sensi Peel is uniquely formulated for all patients, including those with highly sensitive skin and rosacea. This type of peel will improve surface texture and brighten the skin while helping to promote an even skin tone.*

PCA Peel with Hydroquinone (30 min) ..... \$135  
*This formula is for those who want even skin tone and have no sensitivity to hydroquinone. It will also help to correct melasma, sun damage and pigment discolorations of any kind. In addition, this peel will help inhibit active acne and correct post-inflammatory hyperpigmentation (skin discoloration) from acne.*

Ultra Peel (30 min) ..... \$165  
*Specially formulated to help address mature, dehydrated skin, this peel will help improve the appearance of fine lines and wrinkles, while promoting an even skin tone and clear complexion.*

## price

6% Retinol Peel (30 min).....	\$250
<i>A blend of 6% pure retinol and anti-oxidants, this peel improves skin texture, brightens and evens skin tone (photodamage and melasma) and diminishes fine lines and wrinkles through accelerated cellular turnover.</i>	
Microneedling Peel.....	\$430
<i>This procedure harnesses the body's natural tissue renewal process to strengthen, renew and regenerate cells. When microneedling and a chemical peel are combined, this skin rejuvenation treatment can help your skin look smoother, tighter and brighter. This is a great treatment option for those who want to reduce wrinkles, scarring, redness and stretch marks.</i>	

### PRF (PLATELET-RICH FIBRIN) TREATMENTS

*A concentration of growth factors and cytokines that stimulate collagen production and healing of soft tissue.*

PRF with DermaPen®.....	pricing varies
PRF with Plasmalift.....	pricing varies
PRF Hair Restoration.....	pricing varies

Collagen Induction Therapy (CIT).....	see website
<i>Collagen Induction Therapy (CIT), also known as microneedling is a procedure that improves the appearance of wrinkles, acne scars and stretch marks by stimulating your skin's natural ability to repair itself. Collagen Induction Therapy uses tiny, sharp needles to create hundreds of micro-channels in the superficial layers of the skin. In response to these micro-injuries, your body releases growth factors and cytokines, which trigger the wound-healing process. During this process, the body produces more collagen a fibrous protein that contributes to the structural integrity of the skin resulting in thicker more youthful-appearing skin.</i>	

AquaGold® Facial.....	\$550+
PDO ThreadLift.....	pricing varies
<i>A PDO ThreadLift is a non-invasive alternative to a surgical face lift. This treatment involves temporary sutures that are used to produce a subtle but visible "lift" in the skin. Thread lifts can help tighten the skin in the lower and upper face.</i>
