

# Aerolase International Clinical Summit 2013

We would like to cordially invite you to join fellow Aerolase practitioners from 4 continents, at the first annual Aerolase International Clinical event where you can meet our expert faculty, share treatment pearls, and discover new methods to enhance your LightPod laser practice, all in the exciting environs of New York City.

\* **Aerolase Users From Four Continents**

\* **Expert Panel Discussions Will Include:**

- Non-ablative aesthetics & dermatology
- Ablative rejuvenation & scar treatment
- Treating skin of color
- Foot and ankle (nail fungus, etc.)

\* **Learn:** how you can maximize treatment outcomes with our advanced technology.

\* **Share:** clinical pearls and protocols with LightPod laser owners and expert faculty.

\* **Relax and be entertained:** in the city that never sleeps!

All attendees are responsible for their own hotel and travel costs. An event fee of \$250 per person includes event materials and meals during the meeting.

**Saturday, October 19th, All Day Program**

**with Evening Cocktail Reception**

**The Cornell Club**

**6 East 44th Street, New York, NY 10017 (212) 986-0300**
