\* In a recent clinical study, we evaluated the effectiveness of our non-hydroquinone hyperpigmentation solutions. Over the course of the 12-week study, 50 patients were treated. Individual results may vary. ZO® products are intended to be used under the supervision of a treating physician. ZO® Non-Hydroquinone Brightening Portfolio includes the following products: Oilacleanse™ Cleanser for Normal to Oily Skin, Vitascrub™ Invigorating Foaming Scrub, Cebatrol™ Oil Control Pads, Ossential™ C-Bright Serum 10% Vitamin C, Ossential™ Brightalive Non-Retinol Skin Brightener, Brightenex™ Skin Brightener & Correcting Crème, Ossential™ Daily Power Defense, Retamax™ Active Vitamin A Micro Emulsion, Restoracalm™ Soothing Recovery Crème and Oclipse® Sunscreen + Primer SPF 30.

## Providing the benefits of both non-hydroquinone and hydroquinone treatments

### NON-HYDROQUINONE

For patients who need an effective hyperpigmentation treatment without hydroquinone, the ZO® Non-Hydroquinone Brightening Portfolio is the optimal choice. These solutions rapidly brighten and even skin tone, minimize redness, improve skin color and reverse the signs of aging.

### HYDROQUINONE

Hydroquinone is a highly effective treatment of moderate to severe hyperpigmentation, especially melasma. This potent compound gradually bleaches and lightens skin conditions such as chloasma, freckles, lentigines and sun damage.

## DAILY + PREVENTATIVE SOLUTIONS

Non-retinol solutions, mild enough for everyday use

### OSSENTIAL® C-BRIGHT SERUM 10% VITAMIN C

50 mL / 1.7 Fl. Oz.

A potent dose of pure vitamin C to rapidly retexture skin surface pigmentation for a brighter, more even-toned complexion. It also minimizes the appearance of fine lines and wrinkles.

HQ

### OSSENTIAL® BRIGHTALIVE NON-RETINOL SKIN BRIGHTENER

50 mL / 1.7 Fl. Oz.

Reduce the appearance of skin discoloration and brown spots with this multi-vectored skin brightening solution. This skin-brightening solution is ideal for all skin types when strong bleaching is not indicated.

HQ

## THERAPEUTIC SOLUTIONS

Providing the power of retinol

### BRIGHTENEX™ SKIN BRIGHTENER & CORRECTING CRÈME

75 mL / 2.5 Fl. Oz.

Rapidly brighten and even skin tone, with this high potency retinol. It is ideal for use as the first course in treating hyperpigmentation and/or as a maintenance product after completing a course of a RX treatment.

NON AVAILABLE IN 1% & 0.5% RETINOL  
HQ

### BRIGHTAMAX™ SKIN BRIGHTENING CRÈME

75 mL / 2.5 Fl. Oz.

This face and body treatment helps reduce skin discoloration and evens skin tone. Retinol and vitamin C work together to brighten existing pigmentation, while an antioxidant complex hydrates the skin to prevent dryness, damage, and premature aging.
