At Sarasota Plastic Surgery Center, Dr. Braun H. Graham, Dr. James H. Schmidt and Dr. David L. Mobley are renowned for their state-of-the-art cosmetic procedures and their high level of patient care.

State-of-the-art rejuvenating medical spa.

FOR 30 YEARS, area residents have trusted the professionals at Sarasota Plastic Surgery Center for the best in surgical and non-surgical cosmetic treatments.

The group's renowned surgeons, Dr. Braun H. Graham, Dr. James H. Schmidt and Dr. David L. Mobley, enjoy an unequalled reputation for their groundbreaking work. Each is highly trained and certified by the American Board of Plastic Surgery. All three are members of the American Society of Plastic Surgeons and the American Society for Aesthetic Plastic.

"We pride ourselves in giving our patients dramatic yet natural-appearing results," says Dr. Mobley.

The center's striking headquarters boasts state-of-the-art surgical facilities and a state-licensed and federally certified ambulatory surgery center.

"We're acclaimed for our commitment to patient care and safety," says Dr. Schmidt. "People come to us from around the world for our wide range of expertise and high-level of pre- and post-op patient care."

The practice recently opened the Sarasota Plastic Surgery Medical Spa, featuring traditional and therapeutic cutting-edge aesthetic treatments, including Fraxel laser for facial rejuvenation, intense pulsed light for pigmentation problems, Botox and Restylane, hair removal, spider vein removal, permanent make-up and a host of other services.

"With our new, non-invasive Fraxel laser, we can now effectively treat sun

damage and the loss of skin elasticity in the hands, neck and chest," says Dr. Graham. "It also minimizes acne scarring and melasma." The doctors also provide the latest in dermal fillers and Botox Cosmetic, for the correction of facial lines, wrinkles and lip augmentation.

"We're proud to be a vital part of this community," says Dr. Schmidt, "and look forward to many more years fulfilling dreams and helping people achieve their optimal health and beauty."
