Sarasota Plastic Surgery Center

STATE-OF-THE-ART COSMETIC ENHANCEMENT SERVICES, PROCEDURES AND CARE.

For 30 years, area residents have trusted the professionals at Sarasota Plastic Surgery Center for the very best in surgical and non-surgical cosmetic treatments.

The group's renowned surgeons, Dr. James H. Schmidt, Dr. Braun H. Graham and Dr. David L. Mobley, enjoy an unparalleled reputation for their distinguished work in the field of cosmetic surgery. Each is highly trained and certified by the American Board of Plastic Surgery. All three are members of the American Society of Plastic Surgeons and the American Society for Aesthetic Plastic Surgery. They specialize in cosmetic procedures such as face-lifts, eyelid surgery, body contouring, breast enhancement and liposuction.

The center's modern headquarters is one of the most advanced cosmetic surgical facilities of its kind, featuring state-of-the-art imaging

equipment, well-appointed examining and consulting areas and a state-licensed and federally certified ambulatory surgery center. Sarasota Plastic Surgery Center offers results and an environment that make it a top national and international practice.

"We're acclaimed for our commitment to patient care and safety," says Dr. Schmidt. "People come to us from around the world for our wide range of expertise, high level of pre- and post-op patient care and high-tech environment."

The practice recently added a state-licensed medical spa and skin-care clinic that features traditional and therapeutic cutting-edge aesthetic treatments, including Fraxel laser for facial rejuvenation, intense pulsed light for pigmentation problems, Botox and Restylane treatments, hair removal, spider-vein treatments, permanent make-up, and a host of other services.

"We're proud to be a vital part of this community," says Dr. Schmidt, "and look forward to another 30 years of fulfilling dreams and helping people achieve their optimal health and beauty."
