

Weller Dental

Dr. Jeffrey Weller

Are you happy with your smile? Do you feel confident? Is it comfortable for you to chew? Dr. Jeffrey Weller has focused his practice to give you positive solutions to these questions for 30 years. Creating smiles that are natural, healthy and functioning well is the main objective. Focusing on adult comprehensive care, Weller Dental can identify existing dental problems that can have long term effects. These conditions can effect how your smile appears and also your overall health.

Dr. Weller listens and evaluates each individual's needs and desires, he feels treatments such as porcelain veneers must be specific for those needs. Weller Dental offers no prep, minimal prep and traditional veneers, which he personally designs. His design can be temporarily worn as a preview for your personal approval. This assures you the smile that you will love for years to come. If your dental needs are more advanced with severe destruction or loss of teeth, Dr. Weller also has solutions for you with Dental Implants and all porcelain restorations.

His passion to help others over the last 30 years has given him the opportunity to help thousands of patients.

Dr. Jeffrey Weller is licensed as a General Dentist in State of Illinois, Master Level achievement at Rosenthal Institute at NYU, and has studied at Spears, Pankey and Dawson Institutes.
